Pearls On A String

Ryan Adams

Blue eyes for miles, pretty as a peach
Glorious kind and always on the time
Never far out of reach
Tomorrow's on its way
There's always new songs to sing
Glorious kind, always on time, pearls on a string
Soft precious and easy under the sea
If you dive down far enough to the bottom
Look around and you will see
Tomorrow's on its way
And there's always new songs to sing
Glorious kind, always on time, pearls on a string
Glorious kind and always on time, pearls on a string
Sun shining down, children laugh and play
Glorious kind and always on time
Out there in the day
Tomorrow's on its way
And there's always new songs to sing
Glorious kind and always on time, pearls on a string
Glorious kind, always on time, pearls on a string
Glorious kind and always on time, pearls on a string
Glorious kind, always on time, pearls on a string
