

# Thick As Thieves (Acoustic Version)

## Cavo

We are the left behind  
Lost on the roads you followed  
We are the compromise  
Weve opened up our eyes  
Fight the hand that feeds you lies  
This time we make it right  
Dont need a reason tonight  
So sick of waiting for something to change my lifeChorus:  
Hey hey, the soul lives for the feeding  
Hey hey, thick as thieves we are the feeling  
Hey hey the soul lives for the feeding  
Hey hey, thick as thieves we are the feelingWell never fall in line  
And walk the roads you followed  
We are the ones who rise  
Just open up your eyesFight the hand that feeds you lies  
Its time we make it right  
Dont need a reason tonight  
So sick of waiting for something to change my life  
Chorus:  
Hey hey, the soul lives for the feeding  
Hey hey, thick as thieves we are the feeling  
Hey hey the soul lives for the feeding  
Hey hey, thick as thieves we are the feeling
