

# Highway Song

**Patty Griffin**

Stars fall out  
Of the sky, my love  
One by one  
As the years go by

And one by one  
All the ghosts in the night  
Whisper my name  
And fly away

I don't wait for their return  
I don't wait for their return

Across the miles  
And all return  
Reaching for and into the night

In the dusty veil  
Highway song  
I whisper your name  
And fly away

I will wait for your return  
I will wait for your return

I will wait for your return  
I will wait for your return
