

Guilty

Bee Gees

Shadows falling baby, we stand alone
Out on the street anybody you meet
Got a heartache of their own
Make it a crime to be lonely or sad You got a reason for livin'
You battle on with the love you're livin' on
You gotta be mine, we take it away
It's gotta be night and day, just a matter of time And we got nothing to be guilty of
Our love will climb any mountain near or far, we are
And we never let it end, we are devotion
And we got nothing to be sorry for
Our love is one in a million
Eyes can see that we got a highway to the sky
Don't wanna hear your goodbye Pulse's racing, darling, how grand we are
Little by little we meet in the middle
There's danger in the dark
Make it a crime to be out in the cold You got a reason for livin'
You battle on with the love you're livin' on
You gotta be mine, we take it away
It's gotta be night and day, just a matter of time And we got nothing to be guilty of
Our love will climb any mountain near or far, we are
And we never let it end, we are devotion
And we got nothing to be sorry for
Our love is one in a million
Eyes can see that we got a highway to the sky
Don't wanna hear your goodbye
Don't wanna hear your And we got nothing to be guilty of
Our love will climb any mountain near or far, we are
And we never let it end, we are devotion
And we got nothing to be sorry for
Our love is one in a million
Eyes can see that we got a highway to the sky
Don't wanna hear your goodbye
Don't wanna hear your And we got nothing to be guilty of
And we got nothing to be guilty of
And we got nothing to be guilty of
