

# Detroit City

## Dolly Parton

You know last night I went to sleep in Detroit City  
And I dreamed about those cotton fields and home  
I dreamed about my mother, dear old papa, sisters and brothers  
And I dreamed about a love who's been waiting there so long I wanna to go home, I wanna to go home  
Oh, how I wanna go home My kinfolks think I'm big in Detroit City  
From all the letters that I write, they think I'm fine  
By day I make the cars but by night I make all the bars  
Oh, if only they'd just read between the lines They'd know I wanna to go home, I wanna go home  
Oh, how I wanna go home You know I rode a freight train north to Detroit City  
And after all these years I find I've just been wasting my time  
Think I'll put my foolish pride on a southbound train and ride  
Head on back to the loved ones I left waiting there behind I wanna to go home, I wanna to go home  
Oh, how I wanna go home  
I wanna to go home, I wanna to go home  
Oh, how I wanna go home I wanna to go home, yes, I wanna to go home  
Oh, how I wanna go home  
I wanna to go home, yes, I wanna to go home  
Oh, how I wanna go home I wanna to go home
