

# Don't Stand In Line (Remix)

## Pailhead

Don't stand in line  
Don't stand in line Speak your piece, speak your mind  
Leave no points undefined  
We may be undermined  
Numbers assigned and then confined They will try to realign  
And get us to leave our thoughts behind  
You want your message to shine?  
Don't stand in line Don't stand in line  
Don't stand in line  
Don't stand in line Speak your piece, speak your mind  
Leave no points undefined  
We may be undermined  
Numbers assigned and then confined They will try to realign  
And get us to leave our thoughts behind  
You want your message to shine?  
Don't stand in line Don't stand in line  
Don't stand in line  
Don't stand in line  
Don't stand in line  
Don't stand in line
