

# Make Me Over

## The Walls Group

You know my other side  
I can no longer hide  
Let You down so many times  
Sin freshly crucifies  
Thought that I had a plan  
I had it all figured out  
But the more that You tried  
To be by my side  
The more I push You out  
Lord make me over  
Lord make me over  
Lord make me over  
Make me over again  
Make me over again  
Make me over again  
Make me over again  
Time after time I failed You  
Pierced your side  
When they already nailed You  
Jesus heal my open wounds  
I just want to be more like You  
Father I let You down  
What's not like you just take it out  
Reconcile me Jesus  
I just want to please You  
Wash me and make me whole  
Lord make me over  
Lord make me over  
Lord make me over  
Make me over again  
Make me over again  
Make me over again  
Make me over again  
Make me over again  
Lord make me over  
Lord make me over  
Lord make me over  
Make me over again  
Make me over again

Make me over again  
Make me over again  
Lord make me over  
Lord make me over  
Lord make me over  
Make me over again  
Make me over again  
Make me over again  
Make me over again
