

# Everybody (Live In Gwinnett, GA)

Keith Urban

So, here you are now, nowhere to turn  
It's just the same old yesterday  
You made a promise to yourself  
That you were never gonna be this way  
And the only thing that you've ever known is to run  
So you keep on driving faster into the sun  
But everybody needs somebody sometimes  
Yeah, everybody needs somebody sometimes  
You don't have to find your own way out  
You've got a voice; let it be heard  
Just when it feels you're on a dead-end road  
There's always somewhere left to turn  
So don't give up now  
You're so close to a brand new day  
Yes, you are  
And if you just can bare to be alone, then I'll stay  
'Cause everybody needs somebody sometimes  
Yeah, everybody needs somebody sometimes  
Well, maybe I've been too caught up  
To see what you've been going through  
All that I can say is that I'm here now  
And everybody needs somebody sometimes  
You know they do  
Everybody needs somebody sometimes  
Everybody needs somebody sometimes  
Everybody needs somebody sometimes  
Everybody needs somebody sometimes
