

# How'd You Like That

## The Kooks

Well, I was sleeping  
Only in my head  
Slipping in and out of time

And I was lifting  
Always higher  
And the women of heaven sang

They were singing  
How'd you like that?  
How'd you like that?  
How'd you like that?

How'd you like that?  
How'd you like that?  
How'd you like that?  
I like it

How'd you like that?  
How'd you like that?  
How'd you like that?  
It lifts me up

What better time to  
Take a ride with you  
Through the universe tonight

The look of silence  
Much like your face  
And the symphony that helps me sing

They were singing,  
How'd you like that?  
How'd you like that?  
How'd you like that?

How'd you like that?  
How'd you like that?  
How'd you like that?

I liked it

How'd you like that?  
How'd you like that?  
How'd you like that?

I only just let go

How'd you like that?  
How'd you like that?  
How'd you like that?

How'd you like that?  
How'd you like that?  
How'd you like that?

I like it

How'd you like that?  
How'd you like that?  
How'd you like that?

It lifts me up

How'd you like that?  
How'd you like that?  
How'd you like that?

How'd you like that?  
How'd you like that?  
How'd you like that?

I feel for what you feel for me

Let's work together  
(How'd you like that?  
How'd you like that?  
How'd you like that?)

Take it out across the sea

To America  
(How'd you like that?  
How'd you like that?  
How'd you like that?)

I feel for you what you feel for me,

so let's work together  
(How'd you like that?  
How'd you like that?  
How'd you like that?)

Take it out across the sea

Let's work together
