

Done Deal

[Tori Martin](#)

When I came to Oklahoma
And left everything behind
Had no clue what I was doing
Had no clue what I would find
I met you down at Roscoe's
On the seventh of July
And by the tenth day of August
I found out all you do is lie[Chorus:]
When you hear my tires screaming
And see my Lone Star tags
Baby that's me leaving
And I'm never coming back
We're a done deal, I've made up my mind
And nothing you can say will make me stay this time
Yeah, yeah, yeah I can hear the words replaying
Like a song that I don't like
Saying over and over
How I'm the love of your life - ha!
But I ran into your girlfriends
The other victims of your lines
And when I told the girls about you
We all broke out in a fight[Chorus:]
When you hear my tires screaming
And see my Lone Star tags
Baby that's me leaving
And I'm never coming back
We're a done deal, I've made up my mind
And nothing you can say will make me stay this time
Yeah, yeah, yeah, yeah, yeah Done deal, no chance
Don't bother begging me to try again
Lost cause, I've had enough
I'm already gone so baby just give up[Chorus:]
When you hear my tires screaming
And see my Lone Star tags
Baby that's me leaving
And I'm never coming back
We're a done deal, I've made up my mind
And nothing you can say will make me stay
It's a done deal, I've made up my mind

And there ain't no way I'm wasting any more time on you
