

# Manifest Desolate

## Origin

Never in memory / More decisive return  
Wrested from the incomparable / Burden of will  
Heresy propagating insurgency  
Triumph of nothing answer / to an unbridled change  
Without agent / Abandoning this husk / Of a world advancing depletion  
Ingrained / Codex / Serialized subjugation  
Legacy / Perpetuated / Symbols of control  
Embellish / Unchecked / Authority of oppression  
Massacre / Utility / The means to any goal  
Masters of nothing overwhelmed by seas of dying suns  
Wrapped in the embrace of atrophied spiral arms  
Decay, Denial, Demise  
Convinced of autonomous rule beyond an earthen scheme  
Cavalric charge ethereal plane  
Vanity cruelty indignity  
Ingrained / Codex / Serialized Subjugation  
Legacy / Perpetuated / Symbols of control  
Embellish / Unchecked / Authority of oppression  
Massacre / Utility / The means to any goal  
Blistering / Narcissistic Contradiction self obsession indoctrinated  
generations of lunacy as leaders / of all we survey  
Depleted / nation countermanded unsuccessful occupation finding nothing left imprisoned a gulag / Of negative  
space  
Man made god / Not to rule all life / But for subservience / To his own transcendence Omniscience /  
Becomes relatives / In the face of / Human Pride and Purpose Confronted / With the Iconoclast / The definitive /  
Proof of of non-existence emptiness / Only Emptiness / As the last shred / Of the will diminish  
Expanded into  
the unknown with all the revelry of a pillaging horde  
Collective Memory manifest destiny traditions of extermination  
Our nature betrays our powers we are abandoned by our own accord  
Belied autonomy baseless authority no one is left to conquer  
Dominion over the vacuum languish suffering in ubiquitous grief  
Revert to servile savagery in the wake of all inert deities  
The builder primitive objects is the acquiesce to defeat  
Belied autonomy baseless authority no one is left to conquer  
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
