

Nothing You Can Say (feat. Lucy Stone)

Lane 8

send me to the darkest side of town
sinking further into solid ground
i'm running circles as I start to count the streets are empty, beating heart unwound there's nothing you can say
to change my mind
there's nothing you can do
that i haven't tried
when even the lines that keep us out of sight break in two
there's nothing you can say
to change my mind
there's nothing you can do
that i haven't tried
when even the lines that keep us out of sight break in two send me to the darkest side of town
sinking further into solid ground
i'm running circles as I start to count
the streets are empty, beating heart unwound
there's nothing you can say
to change my mind
there's nothing you can do
that i haven't tried
when even the lines that keep us out of sight break in two
