

# Won't Look Back (Disco Fries & Aylen Remix)

Duke Dumont

Love comes close to you  
Your love it makes me stronger  
No matter what we're going through  
I won't look back won't look won't look back  
I won't look back won't look won't look back You make me wanna live forever  
You're my remedy to yesterday  
Now my struggle seems so far away  
And life will never be the same Living it up, living it up, living it up  
Life ain't a party, your the passion by my side  
Living it up, living it up, living it up  
Life ain't a party, your the passion by my side Love comes close to you  
Your love it makes me stronger  
No matter what we're going through  
I won't look back won't look won't look back  
I won't look back won't look won't look back I wish love was always this easy  
But every now and then it brings us down  
But I know that I can count on you  
To keep the music playing on Living it up, living it up, living it up  
Life ain't a party, your the passion by my side  
Living it up, living it up, living it up  
Life ain't a party, your the passion by my side Love comes close to you  
Your love it makes me stronger  
No matter what we're going through  
I won't look back won't look won't look back  
I won't look back won't look won't look back
