Anything Right

P.O.D.

So much to say
So little time for me
To explain the way
I feel you only see
Things the way
You want to see themIt makes sense to you
All these things you do
You got it all figured out
While everyone is confused
How do you do it?In your mind I'm just blind
You're right all of the time
If I think for myself
I guess I'm way out of line
I'm not who you are
I'm so sorryI can't do anything right
You don't know me
Stay out of my life
Kick me while I'm down
I want you to
I can't be like you
Don't want to be like youI can't do anything right
You don't know me
Stay out of my life
Kick me while I'm down
I want you to
I can't be like you
Be like youNo matter what I do
It's never good enough
I give all that is me
Still it's never enough
So, why try?
I give upWhat does it feel like
To be in your shoes?
And walk over everyone
Like you do
Tear me down again
I want you toYou're lovely
So beautiful
Hey you're perfect in every way

Your interior rusted
'N' I'm so disgusted
Can't trust it
You're bustedI can't do anything right
You don't know me
Stay out of my life
Kick me while I'm down
I want you to
I can't be like you
Don't want to be like youI can't do anything right
You don't know me
Stay out of my life
Kick me while I'm down
I want you to
I can't be like you
Be like youWhy can't I do anything, anything right?
Why can't I do anything, anything right?
Why can't I do anything, anything right?
Why can't I do anything, anything right?Do anything right
I do anything right
I do anything so
I've got some
I can't do anything
I can't do anything
Can't do anything right
Can't do anything
