Crazy

Eiffel 65

I'm Going Crazy.....
The Colours I Breathe
Are The Colours I Need
The People I See
Are Just People Like Me, Yeah
Because The Things That I See
Are Not Chosen By Me
The Things That I See
Are The Things On TV Coming Back To Me
The Feelings I Breathe
Are The Feelings I Need
The Lives That I Live
Are The Ones On The Screen, Yeah
Because The Things That I See
Are Not Chosen By Me
The Things That I See
Are The Things On TV Coming Back To Me
I'm Going Crazy, I Am Going Crazy
Everybody's Crazy, Everyone's A Little Crazy
I'm Going Crazy, I Am Going Crazy
Everybody's Crazy Now
I'm Going Crazy, I Am Going Crazy
Everybody's Crazy, Everyone's A Little Crazy
I'm Going Crazy, I Am Going Crazy
Everybody's Crazy Now
The Colours I Breathe
Are The Colours I Need
The People I See
Are Just People Like Me, Yeah

Because The Things That I See
Are Not Chosen By Me
The Things That I See
Are The Things On TV Coming Back To Me
The Feelings I Breathe
Are The Feelings I Need
The Lives That I Live
Are The Ones On The Screen, Yeah
Because The Things That I See

Are Not Chosen By Me
The Things That I See
Are The Things On TV Coming Back To Me
I'm Going Crazy, I Am Going Crazy
Everybody's Crazy, Everyone's A Little Crazy
I'm Going Crazy, I Am Going Crazy
Everybody's Crazy Now {Crazy}
I'm Going Crazy, I Am Going Crazy
Everybody's Crazy, Everyone's A Little Crazy
I'm Going Crazy, I Am Going Crazy
Everybody's Crazy Now.....
I'm Going Crazy.....
The Colours I Breathe
Are The Colours I Need
The People I See
Are Just People Like Me, Yeah
Because The Things That I See
Are Not Chosen By Me
The Things That I See
Are The Things On TV Coming Back To Me
