

# Anyone

## Colours

you are the water making my mind wet  
taming my thirst and taming every thought in my head  
you fill up the room, I swim for my life  
I sink into you and I die  
I lose my life in your love  
you are nothing like anyone I, anyone  
I, anyone  
I thought I knew what dying was  
you make it feel like a massacre  
nothing like anyone I know you felt this before  
I was your maker  
a living ghost who's haunting my dreams  
a monster not born but you were made by me  
I lose my life in your love  
you are nothing like anyone I, anyone  
I, anyone  
I thought I knew what dying was  
you make it feel like a massacre  
nothing like anyone
