22 Days

22-20s

For all of the times I tried to make you see
Well I'm sorry, yeah I'm sorry
But I still don't understand who you expected me to be
But I'm sorry, yeah I'm sorry
Well I'm sorry for you and I'm sorry for meGoodbye babe
Well I'm up off my knees
You're so easy to love
And you're so hard to pleaseI'm not looking for acceptance
I'm not looking for a place
I'm not trying to impress you
And I'm not looking for appraise
But I was looking for something that I can defaceGoodbye babe
When you're blue 'tis so rare
You're so easy to love
But there's nothing really thereTwenty-two countries in twenty-two days
With you in my head, with you in my head
Twenty-two nights just trying to erase
Every word that you said, every word that you said
But it still makes me sick, I'm so easily in loveGoodbye babe
When it's hard to turn round
You're so easy to love
And you're so hard to tie down
