

# Ride Into The Sun

**Def Leppard**

Ride in, ride out, ride Revvin' up hundred an' four  
Hammer down, foot to the floor  
Such a hard ride, ridin' into the sun  
Shootin' in, gotta ticket to ride  
Movin' out this is no place to hide  
When you're ridin', ridin' into the sun We're gonna make it baby  
So step inside  
And if we make it baby  
We're gonna ride  
(Ride)  
Into the sun  
Just ride into the sun Burn it up, we're gonna cruise  
Ahh kick down nothin' to lose  
When you're ridin', ridin' into the sun  
A hot shot hooked on the street  
I'm in love, got the fire in me  
When I'm ridin', ridin' into the sun We're gonna make it baby  
So step inside  
And if we make it baby  
We know how to ride  
(Ride) We're gonna make it baby  
So step inside  
And if we make it baby  
You know we're gonna  
Ride, ride into the sun  
Yea, ride into the sun  
Just ride into the sun  
Yea
