

# Drugstore Jesus

[Plumb](#)

Take the blame for saving lives  
You've got the sunset in your eyes And you've got the glory on your mind  
Your good intentions are hard to find You're drugstore Jesus  
The miracle is gone  
You're drugstore Jesus  
A saint for everyone  
You've thrown your soul away All your gold turns to dust  
And all your masses lose your trust This grand illusion, this planned confusion  
This substitution is tainted love In a world turned upside down  
Can the truth be turned around?  
In a world turned upside down  
Can the truth be turned around? You're drugstore Jesus  
The miracle is gone  
You're drugstore Jesus  
A saint for everyone  
But the world goes on
