Childish Gambino

[Featuring: Josh Osh][Hook: Josh Osho]
We finally made it
And now we sailin
I never dreamed wed get this far
My heart keeps asking
How did it get so wonderful? So wonderful
How did it get so wonderful? So wonderful[Verse 1: Childish Gambino]
You can call the shots, Im going to my aunts house
Whats it all about? Lookin like Im Millhouse
Whats it all about? I aint get my bike back
I aint get my bike back, I know where he live at
I know what he look like, I know what I live like
Five to a bed, head to toe, thats a good night
Five to a bed, head to toe, with the fan on
I dont think these other niggas know what your man on
I used to have to sneak just to get my food
Free lunch made it feel like they dont approve
Sell a card for a dollar used to be the mood
I wanna be Jabari man that nigga cool
I wanna lash out nigga keep your cool
All my friend did was draw something now he outta school
Cuz everything was always Show me what youre made of
And everybody knew somebody who was laid up
I didnt need it, momma said its a lesson
Some people will never like you
Dont letem catch you stressin
You know a codes a code, the world cant stopem
Eating out rat holes and Cheerios boxes
This nigga think he hot shit, he think he good at everything
I just didnt wanna get left out more
My little sis mom got shot, she in the newspaper
Prayers couldnt save her, she died a day later
Like my cousin got the HIV
When she bust the leg open playing jump rope
Should I tell them kids what the fucks up?
They gone judge her and me
Man fuck them, we livin, all is forgiven
I fucked up royally
But now thats who we are man you gotta use the royal "we"

This is royalty, and this is all I ever wanted cuz[Hook x2]
