

# Back In Business

## Pettson

Breakin' out, about to shout  
Feel the need for one more round  
Don't you struggle, try to bite  
You want some trouble, I'm the king of vice  
I'm a wreckin' ball, I'm a stingin' knife  
Steal your money, gonna take your life  
You got screamin' murder, lock up your door  
Double dealin' gotta have more  
Call me dirty, trash my name  
Just tell the boys that I'm gonna be[CHORUS:]  
BACK IN BUSINESS again  
BACK IN BUSINESS again  
BACK IN BUSINESS again  
BACK IN BUSINESS again(BACK IN BUSINESS)Flesh and blood, I'm a rag 'n' bone  
Bad luck message on the telephone  
Don't you worry, play my game  
I'll do you a favor, got your soul for sale  
I'm a cannon ball goin' down the track  
Need good lovin' but I want it back  
Born in trouble, they gave up on me  
Teacher preachin' what not to be  
Call me dirty, trash my name  
Just tell the boys that I'm gonna be[REPEAT CHORUS]
