

There Ain't Nothing Stronger Than Love

Natalie Cole

There ain't nothin stronger than love
There ain't no word greater than love
And once you feel that
Your whole life will change, yeah
You'll never wanna hurt again, no one
Never wanna hurt again
There ain't no tears, no tears wetter than love (ooh)
There ain't no smile, no smile, no smile
No smile wider than love (ooh, ooh) And when all forsake you
They seem to see wrong in what you say, yeah
(Nobody holds the key) nobody holds the key to the answer
I know that love will show the way, yeah
Love will show the way (there ain't nothin stronger than love)
(There ain't nothin stronger than love)
(No love!)

Now you can live on my friend but you'll never, never find
(No love!)

The word I'm talkin 'bout can give you peace of mind
(Love is!)

The answer to the burden that you have in your heart
I know it can give a lonely person a brand new start Love is a blessing, ooh yeah, yeah, yeah, yeah, yeah
I like to think about love as a bridge over troubled water
Oh, I like to think about love as the little children playing together
(There ain't nothin stronger than love)
(Ooh, no!) I like to think about it, oh (There ain't nothin, nothin stronger than love)
(Ooh, no!)

I really like to think about everybody, everybody comin together
I really like to think about it
I can see the day, yeah (hoo, no)
It's gonna happen one of these ol' days - oh! (No love!)
Doo doop, doo doop, doo doop, doop!
Doo doop, doo doop, doo doop, doop!
Doo doop, doo doop
There ain't nothin stronger, stronger, stronger than love
