

Ooh La la la

Fugees

I'm sick of playing my hearts a mischeve
I've got what you want you got what I need
I want my intentions to be perfectly clean
So just get your back off the wall and come
On over here

Everybody say ooh la la la you make me feel like dancing
Ooh la la la wanna dance the night away
Ooh la la la you make me feel like dancing
Ooh la la la wanna dance the night away

It's that shy boy there's no time to waste
My imagination just gets carried away
When I feel the beat you know I can't keep still
And I won't and I don't ask why
Somehow you've tacken over my body so right

Everybody say ooh la la la you make me like dancing
Ooh la la la wanna dance the night away
Ooh la la la you make me feel like dancing
Ooh la la la wanna dance the night away

Dance

Dance

Dance

Dance

You make me feel like dancing

Dance

Dance

Dance

Dance

You make me feel like dancing
