

# It's a Blessing

## Maria Muldaur

Just being alive in the eyes of Jesus is blessing for you and me  
Just being alive in the eyes of Jesus I'm grateful He takes care of me  
Through my joy and through my pain I'm the center of His will  
In the midst of it all, Its a blessingJust being alive in the eyes of Jesus is blessing for you and me  
Just being alive in the eyes of Jesus I'm grateful He takes care of me  
Through my joy and through my pain I'm the center of His will  
In the midst of it all, Its a blessingJust being alive in the eyes of Jesus is blessing for you and me  
Just being alive in the eyes of Jesus I'm grateful He takes care of me  
Through my joy and through my pain I'm the center of His will  
In the midst of it all, Its a blessing  
I know for myself  
That He loves me  
When trials come, they only make me strong  
He protects me  
Oh yes, I'm glad I'm glad  
Oh yes, I'm glad I'm glad  
In the midst of it all, Its a blessing  
Oh yes, I'm glad I'm glad  
In the midst of it all, Its a blessingThrough the sunshine and the rain, that's a blessing  
Through sickness and pain, that's a blessing  
For waking me up this morning, it's a blessing  
Just to be in your Holy will, it's a blessingRight now, He's blessing me  
Right now, He's blessing... me  
Right now, He's blessing me  
Right now, He's blessing... me  
Right now!In the midst of it all  
In the midst of it all  
In the midst of it all, Its a blessing
