I Have Learned To Respect The Power Of Love

Stephanie Mills

A dee dee dee dee doo dooI was a victim of my foolish thinking
Carelessly I've risked my love and my life
There's no self-pity, I admit I obliged
Overpowered by love I pretended to be blindFaith has survived all the doubts I've summoned
My heart has stood all the failure and loss
Helpless I cannot further be driven, ooh, oohI've learned to respect
The power of love
I've learned to respect (Oh)
The power of loveI've learned to respect (Ooh)
The power of love
I've learned to respect (Oh)
The power of loveI was always afraid of being the one left hurt
Running away from the one thing
for which I've always yearned
I'm not ashamed to tell you
many nights I've tossed and I've turnedI've learned to respect (Yeah, yeah, yeah, yeah, yeah, yeah)
The power of love
I've learned to respect (Oh)
The power of love (Yes, I did)I've learned to respect (Oh ooh)
The power of love (Woo, woo, woo)
I've learned to respect (Oh)
