I'll Get Over You

Crystal Gayle

One thing 'bout this heart of mine
All my hurt's gonna mend in time
It don't leave no scars behind
I'll get over youI'll find me a guy one day
Who's not scared to give his heart away
When I do it's safe to say that
I'll get over youI'll get over you
I'll get through it when I do
I'll be good as new
When I get over youFrom now on think, I'll lay low
I'll talk fast but I'll move slow
You taught me all I need to know
'Bout gettin' over youSometimes I think, I love you still
Wonder if I always will
But I know
It's just until I get over youI'll get over you
I'll get through it when I do
I'll be good as new
When I get over youSometimes think, I love you still
Wonder if I always will
Love for you's so hard to kill
But I'll get over youI'll get over you
I'll get through it when I do
I'll be good as new
When I get over youI'll get over you
I'll get through it when I do
I'll be good as new
When I get over youI'll get over you
I'll get through it when I do
I'll be good as new
When I get over youI'll get over you
I'll get through it when I do
I'll be good as new
When I get over you
