

Born to Be King

Magnum

New broom had swept
And did collect
A thousand years
From far and near
The time had come
The chosen one
A welcome guest
By children blessed
The door's unlocked
The walls are down
No more to wear
The thorny crown
The game is up
No foolin' now
The power is on

For everyone He was born to be king

Alone in peace he'd bring
He was born to be king
Look down to teach and sing

Justify everything
He was born to be king
He was born to be king
He was born to be king
He was born to be king
He was born to be king
He was born to be king

He was born to be
He was born to be king
He was born to be

He was born
He was born
He was born
He was born
He was born
He was born

Born he was born
He was born

He was born He was born to be king
Alone in peace he'd bring

He was born to be king
Look down to teach and sing
Justify everything He was born to be king
Alone in peace he'd bring
He was born to be king
Look down to teach and sing
Justify everything
