

James

You're going to murder in the name of God
What kind of God you dreaming of?
A God of blood not loveSo, you can get your 72
Virgins to abuse
I hope they kick like mulesWar, warMy God's bigger than your God
He made the world run out of puff
More important things to doWar, warIt's black, it's white, a fight
An elephant gray
There's this universe at stake
We get in the wayGo left, go right, straight on
Just do what they say
There's a universe at stake
We get in the wayIt's black, it's white, a fight
An elephant gray
There's a universe at stake
We get in the wayGo left, go right, straight on
(War)
Just do what they say
There's a universe at stake
(War)
We get in the wayWar, war, war, war
