

# Cry, Cry, Cry (Re-Recorded)

Johnny Cash

Everybody knows where you go when the sun goes down  
I think you only live to see the lights of town  
I wasted my time when I would try, try, try  
'Cause when the lights have lost their glow you'll cry, cry, cry  
Soon your sugar-daddies will all be gone  
You wake up some cold day and find you're alone  
You'll call for me but I'm gonna tell you bye, bye, bye  
When I turn around and walk away you'll cry, cry, cry  
You're gonna cry, cry, cry and you'll cry alone  
When everyone's forgotten and you're left on your own  
You're gonna cry, cry, cry  
I lie awake at night to wait till you come in  
You stay a little while and then you're gone again  
Every question that I ask I get a lie, lie, lie  
For every lie you tell you're gonna cry, cry, cry  
When your fickle love gets old, no one will care for you  
Then you'll come back to me for a little love that's true  
I'll tell you no and you're gonna ask me why, why, why  
When I remind you of all of this and you'll cry, cry, cry  
You're gonna cry, cry, cry and you'll want me then  
It'll hurt when you think of all the fool you've been  
You're gonna cry, cry, cry
