House On Fire

Sia

[Verse 1]
I don't like to wait too long, to wait too long, wait too long
Figured out I'm burning slow, but I burn babe
I feel the pain and it feels good, I know it would
Your heart burns slow, I feel the pain and I cry out[Pre-Chorus]
I need you, I need you
Baby I want to breathe you in
Like oxygen, like oxygen[Chorus]
Baby I'm a house on fire
And I want to keep burning
Going on up in flames
And you're to blame
Yeah, you're to blame
Baby I'm a house on fire
And I want to keep burning
I want to keep burning
I want to keep burning
I want to keep burning
Baby I'm a house on fire
I want to keep burning
I want to keep burning
I want to keep burning
Baby I'm a house on fire[Verse 2]
So take me to the heavens now
As we burn down, as we are found
Take me to the heavens now
My heart screams out[Pre-Chorus]
I need you, I need you
Baby I want to breathe you in
Like oxygen, like oxygen[Chorus]
Baby I'm a house on fire
And I want to keep burning
Going on up in flames
And you're to blame
Yeah, you're to blame
Baby I'm a house on fire
And I want to keep burning
I want to keep burning
I want to keep burning

I want to keep burning
Baby I'm a house on fire
I want to keep burning
I want to keep burning
I want to keep burning
Baby I'm a house on fire[Bridge]
Love me, to the beat of a drum, to the beat of a drum yeah
Love me, till the walls give in yeah
Love me, to the beat of a drum, to the beat of a drum yeah
Love me, I don't wanna say yeah[Pre-Chorus]
Baby I want to breathe you in
Like oxygen, like oxygen[Chorus]
Baby I'm a house on fire
And I want to keep burning
Going on up in flames
And you're to blame
Yeah, you're to blame
Baby I'm a house on fire
And I want to keep burning
I want to keep burning
I want to keep burning
I want to keep burning
Baby I'm a house on fire
I want to keep burning
I want to keep burning
I want to keep burning
Baby I'm a house on fire
Baby I'm a house on fire
