

# Down

## The Traders

I sat by the phone today  
Waiting for you to call, so I  
Could pick it up and say hello to you  
And you would say hello to me  
(Just like my dreams)d  
Is there a reason why you're gone?  
I didn't mean to be so wrong  
And I tried so hard to be the best that I could be  
But still it seems I always end up alone  
Is there something inside me that I don't see?  
Is there something wrong here with the way I love?  
Down, you can't hold me down  
'Cause when no one is around  
I won't be standing here  
Just waiting for you to come back home again  
Down, you can't hold me down  
Because I finally understand  
That what you did is not so bad  
In fact it's better for me  
Did I not give you enough room  
Was I overtaking you  
And did my love for you just blind me from  
What I was doing wrong?  
(I never meant you harm)  
Or was I not good enough for you  
Is that the reason why we're through  
Was I not half the man you thought that I would be  
But now you see?  
Is that why you leave me?  
Is that why you leave me?  
Is there something inside me that I don't see?  
Is there something wrong here with the way I love?  
Down, you can't hold me down  
'Cause when no one is around  
I won't be standing here  
Just waiting for you to come back home again  
Down, you can't hold me down  
Because I finally understand  
That what you did is not so bad

In fact it's better for me  
And Lord knows I try  
To bring back my dreams  
'Cause I held onto yours for so long  
That I couldn't hold my own  
Down, you can't hold me down  
'Cause when no one is around  
I won't be standing here  
Waiting for you to come back home to me  
Down, you can't hold me down  
Because I finally understand  
That what you did is not so bad  
In fact it's better for me  
Down, down, you can't hold me down again  
You can't hold me down  
Down, you can't hold me down again
