

Our Lips Are Sealed

Hilary Duff

Can you hear them?
They talk about us
Telling lies
Well, that's no surpriseCan you see them?
See right through them?
They have no shield
No secrets to revealIt doesn't matter
What they say
In the jealous games
People play, ay, ay, ayOur lips are sealedThere's a weapon
Which we must use
In our defense
SilenceSpreading rumors
So far from true
Dragged up from the underworld
Just like some precious pearlIt doesn't matter
What they say
In the jealous games
People play, ay, ay, ayOur lips are sealedPay no mind to
What they say
It doesn't matter
Anyway, hey hey heyOur lips are sealedHush, my darling
Don't you cry
Cryin', angel
Forget their liesCan you hear them?
They talk about us
Telling lies
Well, that's no surpriseCan you see them?
See right through them?
They have no shield
No secrets to revealIt doesn't matter
What they say
In the jealous games
People play, ay, ay, ayOur lips are sealedPay no mind
To what they say
It doesn't matter
Anyway, ay, ay, ayOur lips are sealed
Our lips are sealed
Our lips are sealed
