## nickasaur!

I'll put a message in a bottle and I'll throw it across the sea
You're the lock and included is the key
Along with a dozen x's and o's
Lord knows that you can't get enough of those
You're supercalifragilisticexpialidociously cute
Sweeter than a 12 pack of juicy fruit
Surreal, but I know this isn't a dream
We go good together just like coffee and creamGreat googali-moogali
Is she a movie star?
And is your dad a robber?
I saw him go
Way up high
Past the sky
He grabbed the stars and put their twinkle
In your eyesI'll put a message in a bottle and I'll throw it across the sea
You're the lock and included is the key
Along with a dozen x's and o's
Lord knows that you can't get enough of those
You're supercalifragilisticexpialidociously cute
Sweeter than a 12 pack of juicy fruit
Surreal, but I know this isn't a dream
We go good together just like coffee and creamHold up wait a minute
Hold up wait a minute
Hold up wait a minute
Hold up wait a minuteHold up wait a minute
Sprinkle some love in it
Seal it with a kiss and a tiny bit of
Xoxo
Forever to grow
Make it last forever cause we'll take it slow
I hope that you get it
I pray that you get it
I wish that you won't stop to don't stop, get it get itDon't stop, get it get it
Don't stop, get it get it
Don't stop, get it get it
