Possum

Totimoshi

I come from atop the mountain, baby
Where the people come to pray
I comes from atop the mountain baby
Where the people come to pray
There ain't no truth in action
'Less you believe it anyway
I was riding down the road one day
Someone hit a possum
Riding down the road one day
Someone hit a possum
The road was his end
His end was that road, so they say
Whoa, possum, possum, possum, possum
Whoa, possum, possum, possum, possum
Whoa, possum, possum, your end is the road
I was riding down the road one day
Someone hit a possum
Riding down the road one day
Someone hit a possum
The road was his end
His end was that road, so they say
Whoa, possum, possum, possum, possum
Whoa, possum, possum, possum, possum
Whoa, possum, possum, your end is the road
Whoa, possum, possum, your end is the road
