Scattered Diamonds (Ran/Run Remix)

Hungry Kids of Hungary

Last night the weekend caught us up
We fell in fits across the floor
Scattered diamonds through your dress
And curses through your door
Oooooh ooh ooh
You want it you got it all
And its the last time I sit by
Saving face with all your friends
Cause its one thing to remember
And another thing to live again
Oooooh ooh ooh
You want it you got it all
Oooooh ooh ooh, Oooooh ooh ooh
You want it you got it all
Six sorry years and now the gloves are off
Would it be easier if it was all my fault
Oooooh oh, whoa oh oh, wooooah
Last night the weekend caught us up
We fell in fits across the floor
Scattered diamonds through your dress
And curses through your door
Oooooh ooh ooh
You want it you got it all
And its the last time I sit by
Saving face with all your friends
Cause its one thing to remember
And another thing to live again
Oooooh ooh ooh
You want it you got it all
And I wont be waiting for your call
You want it you got it all
Six sorry years and now the gloves are off
Would it be easier if it was all my fault
Oooooh oh, whoa oh oh, wooooah
You want it you got it all
You want it you got it all
You want it you got it all
You want it you got it all
