

The Sea King

Hawkwind

Sinking deeper beneath the waves
Mind now resigned, accepts his fate
Ancient alliance creeps into his thoughts
Unbid to him comes a rune once taught
The Sea King has come to him
The Sea King to save him
The Sea King has come to him
The Sea King to save him He sees that his life is safe
His foe Yrkoon has failed The Sea King has come to him
The Sea King to save him
The Sea King has come to him
The Sea King to save him To his kingdom he is now bound
The sea around him is his shroud
Age old wisdom has set him free
So to realise his destiny
The Sea King has come to him
The Sea King to save him
The Sea King has come to him
The Sea King to save him
The Sea King has come to him
The Sea King to save him
The Sea King has come to him
