

# Tears From The Moon (DJ Tiesto Remix)

## Conjure One

Couldn't sleep so I went out walking  
Thinking about you and hearing us talking  
And all the things I should have said  
Echo now, inside my headIt just ain't fair this thing called loving  
When one step there and the other feels nothing  
I would have done anything for you  
I still love you, baby I adore youI feel something falling from the sky  
I'm so sad I made the angels cryTears from the moon  
Fall down like rain  
I reach for you  
I reach in vainTears from the moon  
Fall down like rain  
But tears from the moon  
Can 't wash away the painTears from the moon, tears from the moon (whispering a couple times)It just ain't fair  
this thing called loving  
When one step there and the other feels nothing  
I would have done anything for you  
I still love you, baby I adore youAll day I keep from falling apart  
But at night when the sky gets darkTears from the moon  
Fall down like rain  
I reach for you  
I reach in vainStop, Stop haunting me  
It should be easy  
As easy as when you stopped wanting me  
Hmm
