

Girls and Boys (Live In Hyde Park, London 3/7/09)

Blur

Street's like a jungle
So call the police
Following the herd
Down to Greece
On holiday
Love in the nineties
Is paranoid
On sunny beaches
Take your chances
Looking for Girls who are boys
Who like boys to be girls
Who do boys like they're girls
Who do girls like they're boys
Always should be someone you really love Girls who are boys
Who like boys to be girls
Who do boys like they're girls
Who do girls like they're boys
Always should be someone you really love Avoiding all work
Because there's none available
Like battery thinkers
Count your thoughts
On one-two-three-four-five fingers
Nothing is wasted
Only reproduced
You get nasty blisters
Du bist sehr schan
But we haven't been introduced Girls who are boys
Who like boys to be girls
Who do boys like they're girls
Who do girls like they're boys
Always should be someone you really love Girls who are boys
Who like boys to be girls
Who do boys like they're girls
Who do girls like they're boys
Always should be someone you really love Looking for girls who are boys
Who like boys to be girls
Who do boys like they're girls
Who do girls like they're boys
Always should be someone you really love Girls who are boys

Who like boys to be girls
Who do boys like they're girls
Who do girls like they're boys
Always should be someone you really love
Girls who are boys
Who like boys to be girls
Who do boys like they're girls
Who do girls like they're boys
Always should be someone you really love
Girls who are boys
Who like boys to be girls
Who do boys like they're girls
Who do girls like they're boys
Always should be someone you really love
