

# Just a Little

## The Used

Surprise me I'm looking out looking out  
Surprise me you jump back up on to your feet somehow Surprise me I'm looking out looking out  
Surprise me you jump back up on to your Things appear gone, things appear gone  
Where'd you go?  
Seems like your better half said it all  
You're wonderful  
Seems like your better half said it all Surprise me I'm looking out looking out  
Surprise me you jump back up on to your feet somehow Surprise me I'm looking out looking out  
Surprise me you jump back up on to your Things appear gone..things appear gone  
Where'd you go?  
Where'd you go?  
You're wonderful  
Seems like your better half said it all Wonderful wonderful wonderful wonderful  
Angels can fly  
Motivation, motivation (gulp) Things appear gone..things appear gone..things appear gone  
Where'd you go? Where'd you go?  
You're wonderful  
Seems like your better half said it all  
You're wonderful you're wonderful  
Seems like your better half said it all  
Where'd you go?  
Seems like your better half said it all  
You're wonderful  
Seems like your better half said it
