First Love Song

Tim Hardin

You are the only love song that've sung
Without the pain that makes me sing.You heard from me you're the only one.
You're the only one, I hope
I have a place for what I bring.You've taken my heart,
You've taken my heart without going away.You know all my lies
And you know that the truth in my heart
Makes yÃ³Ã³ÃºÃº the only one I really want to stay.
More than once in my life
I thought about,
I thought about making the girl my wife.But only once in that time...
I've thought that together,
I've thought that together
We could stay within reach of my mind.You are the only love song that've sung
Without, without the pain that makes me sing.
You know al my...
All my lies and you know that
You know
The truth in my heart
Makes you the only one I want...
I want.
