think I saw your body before I saw your face,
The kind of moves you made where wakin up the place,
Then you favourite song come one the one you love,
You come over to me,
Looked in my eyes and said for sure,
You had your hands all over my body tonight,
You didn't care about respectability,
With people staring 'cause you really made a seen,
It must of looked liked we were doin it for real.You Said,
Where I come from we don't play around,
And when its time to party we know how to get down,
And where were goin baby you don't have to worry bout a thing,
Take my hand,
Move your body up and down,
And,Push Up
Your body, Your body next to mine
Push Up
I gotta make that sexy booty mine
Push Up
And shake it, baby shake that ass
Push Up

So excuse me when you talk to me I seam preoccupied.'cause,

And when its time to party we know how to get down,
And where were goin baby you don't have to worry bout a thing,
Take my hand,
Move your body up and down,
And,Push Up
Your body, Your body next to mine
Push Up
I gotta make that sexy booty mine
Push Up
And shake it, baby shake that ass
