All Alone

Jesse Powell

Sitting here all alone, just thinkin' 'bout cha staring at the phone
Wondering if you're gonna call, my mind is racing off the wall
See it was cool, when you said my name
To imagine it is not the same
I must be strong, I will go on
But this empty heart is causing me pain, don't wanna beAll alone, no, all alone, all alone
Don't wanna be all alone no, all alone, all alone
Don't wanna be all alone, all alone, all alone
Don't wanna be all alone, all alone, all aloneSaid that you would always be there
Now I'm so alone I can't even bear
But honey that's just fine
'Cause one day the only love you want, will be mine
I'm not a fool, I've got integrity
Don't blame my sensitivity
It's not a game
'Cause alone I remain
And this empty heart is causing me pain, don't wanna beAll alone, all alone, all alone
Don't wanna be all alone, no, all alone, no, all alone
I don't wanna be all alone, no, all alone, no, all alone
I don't wanna be all alone, no, all alone, no, all aloneWe can take our time to make things right, just stay
Somehow I've got to drive this loneliness awayAll alone, all alone, all alone
I don't wanna be all alone, no, all alone, all alone
I don't wanna be all alone, no, all alone, all alone
I don't wanna be alone, all alone, no, no, no, all alone, all aloneDon't wanna be all alone
Don't leave me baby
Come back to me, say yes, say yes
Don't leave me alone, oh(All alone, all alone, all alone)
(All alone, all alone, all alone)
C'mon back, c'mon back
I don't wanna be aloneDon't leave me here alone, don't wanna be alone
(All alone, all alone, all alone)
I don't wanna be alone
(All alone, all alone, all alone)
I'm waiting right here
Down on my knees
Please tell me that you'll come back to me(All alone, all alone, all alone)
I don't wanna be alone
Baby don't you leave me here on my own
(All alone, all alone, all alone)

C'mon back, c'mon back
I don't wanna be alone
