Blame (Mike Williams Future Bootleg)

Calvin Harris

Can't be sleeping, keep on waking
Without the woman next to me
Guilt is burning, inside I'm hurting
This ain't a feeling I can keepSo blame it on the night
Don't blame it on me, don't blame it on me
Blame it on the night
Don't blame it on me, don't blame it on meBlame it on the night
Don't blame it on me, don't blame it on me
So blame it on the night
Don't blame it on me, don't blame it on meDon't blame it on meCan't you see it?
I was manipulated by it
To let her through the door
I had no choice in this
I was a friend she missed
She needed me to talkSo blame it on the night
Don't blame it on me, don't blame it on me
Blame it on the night
Don't blame it on me, don't blame it on meBlame it on the night
Don't blame it on me, don't blame it on me
So blame it on the night
Don't blame it on me, don't blame it on meDon't blame it on meOh, I'm so sorry, so sorry, baby
Yeah
Ooh, I got to say
So sorry
Oh, I promise
(I'll be better this time, I will be better this time)
Don't blame it on me
Don't blame it on me
