

# Kiss the Girl

## Vitamin C

There, you see her, sitting there across the way  
She don't got a lot to say but there's something about her  
And you don't know why but you're dying to try  
You wanna kiss the girl Yes, you want her, look at her, you know you do  
Possible she wants you too, there is one way to ask her  
It don't take a word, not a single word  
Go on and kiss the girl Sha, laa, laa, laa, laa, my, oh, my  
Look like the boy too shy, ain't gonna kiss the girl  
Sha, laa, laa, laa, laa, laa  
Ain't that sad, ain't it a shame?  
Too bad, he gonna miss the girl Now's your moment, floating in a blue lagoon  
Boy, you better do it soon, no time will be better  
She don't say a word and she won't say a word  
Until you kiss the girl Sha, laa, laa, laa, laa, my, oh, my  
Look like the boy too shy, ain't gonna kiss the girl  
Sha, laa, laa, laa, laa, laa  
Ain't that sad, ain't it a shame?  
Too bad, he gonna miss the girl Sha, laa, laa, laa, laa, laa  
Don't be scared, you got the mood prepared  
Go on and kiss the girl  
Sha, laa, laa, laa, laa, laa  
Don't stop now, don't try to hide it now  
You want to kiss the girl Sha, laa, laa, laa, laa, laa  
Float along and listen to the song  
The song say kiss the girl  
Sha, laa, laa, laa, laa, laa  
The music play, do what the music say You got to kiss the girl  
You've got to kiss the girl  
You wanna kiss the girl  
You've gotta kiss the girl  
Go on and kiss the girl
