

# Joyous Sound

Van Morrison

How sweet that joyous sound  
Whenever we meet, whenever we meet  
How sweet that joyous sound  
Whenever we meet again  
I think you know it well  
Whenever we meet, whenever we meet  
I think you know it well  
Whenever we meet again  
Just let it in and let it out, yeah alright  
And you will begin to know without a doubt  
That grace will follow us  
Wherever we go, wherever we go  
That grace will follow us  
Until we meet again, hey  
Just let it in and let it out, yeah alright  
And you will begin to know without a doubt  
That grace will follow us

Wherever we go, wherever we go  
That grace will follow us  
Until we meet again  
How sweet that joyous sound  
Whenever we meet, whenever we meet  
How sweet that joyous sound  
Whenever we meet again  
Oh! Whenever we meet  
Whenever we meet  
Whenever we meet again  
Oh! Whenever we meet  
Whenever we meet  
Whenever we meet again  
Oh! Whenever we meet  
Whenever we meet  
Whenever we meet again
