

They Call Me Guitar Hurricane

Stevie Ray Vaughan

Well they call me hurricane an' I've come to play in your town
Yeah they call hurricane an' I've come to play in your town
If you don't like my music I'm sure gonna drive to your town Yeah I like my pocket full of money my whiskey,
gin and wine
Yes I like my pocket full of money my whiskey, gin and wine
Y'all can come to dinner love my lovin' all the time Yeah they call me hurricane an' I've come to play in your
town
Yeah they call me hurricane an' I've come to play in your town
If I can't play this guitar I'm sure gonna drive to your town
