

Even If I'm Loud It Doesn't Mean I'm Talking to Yo

Tove Styrke

I think I hit a nerve when I burst solitude
Palooka set in motion and itâ€™s drowning you
I know you feel that pop doesnâ€™t really have a clue
But even if Iâ€™m loud it doesnâ€™t mean Iâ€™m talking to you

I think I hit a nerve when I burst solitude
Palooka set in motion and itâ€™s drowning you
I know you feel that pop doesnâ€™t really have a clue
But even if Iâ€™m loud it doesnâ€™t mean Iâ€™m talking to you

Youâ€™re educated now but you never stand a chance
Sophisticated ainâ€™t helping you to do the dance
I think youâ€™re stuck in that me, myself, and I romance
But thatâ€™s too wild for you, man, to understand

I think I hit a nerve when I burst solitude
Palooka set in motion and itâ€™s drowning you
I know you feel that pop doesnâ€™t really have a clue
But even if Iâ€™m loud it doesnâ€™t mean Iâ€™m talking to you

But even if Iâ€™m loud it doesnâ€™t mean Iâ€™m talking to you
But even if Iâ€™m loud it doesnâ€™t mean Iâ€™m talking to you

You got a true mad deep big crush on yourself
I hope you hit the ground hard when you fell for yourself
You got that crossed armed posture, such a sorry sight
If you do shit like that I donâ€™t need to be nice

I got my half ass rhymes to set me free
Thatâ€™s why you never ever, ever can get to me
I sense my loolycomotionâ€™s like a brick at you
But even if Iâ€™m loud it doesnâ€™t mean Iâ€™m talking to you

I think I hit a nerve when I burst solitude
Palooka set in motion and itâ€™s drowning you
I know you feel that pop doesnâ€™t really have a clue
But even if Iâ€™m loud it doesnâ€™t mean Iâ€™m talking to you

Nah, canâ€™t take it, Iâ€™mma break it, Iâ€™m gonna shake it off me now
But even if Iâ€™m loud it doesnâ€™t mean Iâ€™m talking to you

Within 27 minutes Iâ€™m gonna shake it like a diva
But even if Iâ€™m loud it doesnâ€™t mean Iâ€™m talking to you

Nah, canâ€™t take it, Iâ€™mma break it, Iâ€™m gonna shake it off me now
But even if Iâ€™m loud it doesnâ€™t mean Iâ€™m talking to you

Within 27 minutes Iâ€™m gonna shake it like a diva
But even if Iâ€™m loud it doesnâ€™t mean Iâ€™m talking to you

But even if Iâ€™m loud it doesnâ€™t mean Iâ€™m talking to you

I think I hit a nerve when I burst solitude
Palooka set in motion and itâ€™s drowning you
I know you feel that pop doesnâ€™t really have a clue
But even if Iâ€™m loud it doesnâ€™t mean Iâ€™m talking to you

But even if Iâ€™m loud it doesnâ€™t mean Iâ€™m talking to you
But even if Iâ€™m loud it doesnâ€™t mean Iâ€™m talking to you
