Heart Surgery Isn't That Bad...

Jeffree Star

Jeffree laughs =)I dont think
I don't think you're ready for this..
Here we go..Pink diamonds shining
Fuschia lust
Heart-shaped bruises
For both of usYou see me watching
The lights are low
Your body's waiting
You can't say no[pre chorus:] [x2]
Let me show you how it works..
(Lets get out of here)
Let me show you how it works, I like it hard..[CHORUS:]
Come on.. Let's get out of here
I wanna take your hand and disappear
Come on.. Let's get out of here
I whisper in your ear.. "I wanna..."You like it fast..
I like it hard
You like it fast
I like it hard
You like it fast
I like it hard
Fag!
Bitch!Mirrors are breaking
Vanity crush
Perfection climbing
All eyes on usWe both stop breathing
The music fades
Hands start touching
Don't be afraid..[pre chorus] [x2]
Let me show you how it works..
(Lets get out of here)
Let me show you how it works, I like it hard..[CHORUS]
Come on.. Let's get out of here
I wanna take your hand and disappear
Come on.. Let's get out of here
I whisper in your ear.. "I wanna..."You like it fast..
I like it hard
You like it fast
I like it hard

You like it fast
I like it hard
You like it fast
I like it [scream] hardYou like it fast..
I like it hard
You like it fast
I like it hard
You like it fast
I like it hard
You like it fast
I like it hard[pre chorus] [x2]
Let me show you how it works..
(Lets get out of here)
Let me show you how it works, I like it hard..[CHORUS]
Come on.. Let's get out of here
I wanna take your hand and disappear
Come on.. Let's get out of here
I whisper in your ear.. "I wanna..."Uh.....I Like It Hard.....Uh.....I Like It Hard.....Uhhh
