

His Love Overwhelms (feat. Lee Simon Brown)

Every Nation Music

How great the Father's love
That He should call us His own
That we, who once were lost
Can now be found in His arms

His love, it overwhelms me
Overwhelms me
Overwhelms me
His love, it overwhelms me
Overwhelms me
Overwhelms me

How deep, the Father's gaze
That He would see Christ in me
Grace surrounds my heart
Washes all my sin away

His love, it overwhelms
Overwhelms me
Overwhelms
His love, it overwhelms me
Overwhelms me
Overwhelms

(Repeat 2x)

O how strong this love
It burns in me, it burns me
O how strong this love
It burns in me, it burns in me
