

Here Comes Trouble

Chronixx

Left, right, Jah soldiers a come
Left, right

An dem seh here comes trouble
Here comes the danger
Sent by the savior welcome the rasta youths
High an high a start recruit soldiers fi Selassie high army

Here comes trouble
Here comes the danger
Welcome the savior
Welcome the rasta youths
You no haffi ask is who
A the general issuing a warning

Jah people dem a ball seh dem tired a mediocre
Evil a go fall when wi chad inna Ethiopia
Believing from dawn caw dem life no easy bout yah
Even Banton seh itâ€™s not a easy road
A povation occupied the mother land
Calling all soldiers to kindly chad along
From creation it wright in a Jah plan
But Chronixx Cyaa do it alone
So am recruiting soldiers coming from near an far by truth
Executing Selassie high works and the Rastafari truths

An dem seh here comes trouble
Here comes the danger
Sent by the savior welcome the rasta youths
High an high a start recruit soldiers fi Selassie high army

Waving the banner red, green and gold
It is such a honor profficieâ€™s unfold
Discover than stone, an trees, an scrolls
And even in the story that Jesus told
Rasta youth must inherit the earth
Cyaa sit down Jah, Jah, seh mi fi work
Bring the fire inna ground
Jah, Jah, dseh mi fi purge
But I cyaa do it alone

Rasta recruiting soldiers coming from near an far i choose
Executing Selassie high works and the Rastafari truths

An dem seh here comes trouble
Here comes the danger
Sent by the savior welcome the rasta youths
High an high a start recruit soldiers fi Selassie high army

Left, right, Jah soldiers a come
Left, right

Left, right, Jah soldiers a come
Left, right

An dem seh here comes trouble
Here comes the danger
Sent by the savior welcome the rasta youths
High an high a start recruit soldiers fi Selassie high army
